FOGO DE CHÃO OPENS FOURTH NORTHERN CALIFORNIA RESTAURANT IN ROSEVILLE

Leading Restaurant Brand Debuts its First Sacramento-area Location with a Community Commitment

ROSEVILLE, Calif. (Dec. 13, 2024) [Fogo de Chão](#), the internationally-renowned restaurant from Brazil known for its elevated churrasco dining experience, opens its newest restaurant in Roseville, California on Monday, December 16. The new restaurant is located at 1104 Galleria Boulevard at Ridge at Creekside, which offers 256,842 square feet of retail property featuring dining and premier shopping experiences across the street from the Galleria at Roseville shopping center. As part of their introduction to the community, Fogo will donate 10% of its first week of sales to [Feeding the Foothills](#), a nonprofit food bank that collects and distributes food to hunger relief partners in the surrounding areas.

Designed in partnership with architecture and design agency [Innovation & Design in Architecture](#), the new restaurant features an expansive dining room centered around an open churrasco grill, offering guests a 360-degree view of gaúcho chefs demonstrating the Culinary Art of Churrasco by butchering, hand carving, and grilling high-quality cuts of protein, creating a craveable salty bark. The Roseville restaurant also showcases a seasonal Market Table, dry-aged meat lockers for in-house aging, a lively indoor Bar Fogo area ideal for all-day happy hour, and private dining spaces available for guests to reserve for any occasion.

“We look forward to opening in Roseville and introducing new guests and Fogo fans in the Sacramento area to the Culinary Art of Churrasco,” said Barry McGowan, Chief Executive Officer of Fogo de Chão. “At Fogo, we’ve always focused on feeding our guests and communities; that’s why we’re excited to collaborate with Feeding the Foothills to continue to provide hunger relief to those in need in the Roseville area.”

Leading the Roseville team is General Manager Daniel Bertolete, a 17-year veteran of Fogo who most recently served as General Manager of the Downtown San Francisco restaurant. Daniel and his team look forward to becoming part of the Roseville community and providing over 100 local jobs for talented individuals committed to delivering an exceptional experience to all guests.

Fire-roasted cuts, the core of Fogo's experience, include guest favorites such as Bone-In Ribeye, Lamb Chops, and the house specialty, Picanha —the prime part of the top sirloin. Fogo Roseville offers a range of menu selections and prices to fit guests' needs for lunch and dinner, including:
